iSee SOFTWARE SOLUTIONS JOINS THE AXIS COMMUNICATIONS APPLICATION DEVELOPMENT PARTNER PROGRAM..

iSee Software Solutions (PTY) Ltd., iSee Software Solutions has recently joined the Axis Applications Developer Partner program.

Pieter Rossouw, business development manager at iSee, said that this forms part of the iSee strategy to partner with industry leaders in various markets. Partnering with the world leader in network video, allows iSee to offer innovative and reliable software solutions that works seamlessly with proven hardware platforms such as the Axis range of network cameras and video encoders.

iSee will make use of the unique features the that the Axis product range offers and integrate those in their software solutions. This will allow users with new and installed Axis products to leverage the unique video streaming and remote control solutions offered by iSee.
